

The contract for the approximately TRY 82 million (USD 37 million) Project, “Velimese Industrial Zone Wastewater Treatment Plant”, owned by the Tekirdag Velimese Industrial Zone Entrepreneurs Committee was signed on the 09th of April 2014. The first phase of the Project undertaken by the Yüksel and Türkerler partnership includes the construction of the treatment plant units of 150,000 m3/day capacity to treat the domestic and industrial wastewater of the industrial zone as well as the supply and installation of mechanical and electrical equipment, commissioning, trial running and maintenance. The project is the second wastewater treatment plant undertaken by Yüksel within this year.
