Swissotel The Bosphorus is a 5-star turn-key project built with a great view of the world-renowned Bosphorus in Istanbul. It is a world-class building with a total construction area of 85,000 m2 with 700 rooms and 1,200 beds.

With a matchless panoramic view of the Bosphorus, the hotel has 2 king rooms, 9 class-A deluxe suites, 65 corner rooms, 70 suites and 422 standard rooms. The hotel also offers international cuisine (Japanese, Chinese and Turkish), indoor and outdoor swimming pools, a wellness center, banquet and meeting rooms, lobby/café bar areas, indoor parking and other social opportunities. Swissotel has a unique place in national and international tourism due to its location and the building's features.
